ACRYLIC PAINT

COLOUR CHART

GOLD PREMIUM

GOLD PREMIUM™ harnesses cutting-edge international technology and decades of expertise in paint formulations to deliver high-performing, sustainable architectural paint solutions.

Perfect for consumers who demand premium quality, our products not only protect, but also enhance the beauty of your spaces.

Our paints and complementary products are engineered to withstand the toughest environments, making them ideal for both residential and commercial applications.

From high-performance topcoats and surface preparation products, to solvents, adhesives, and specialty paints, **GOLD Premium™** offers comprehensive solutions for both interior and exterior use.

5 YEARS PROTECTION: Gold Premium Acrylic Paints are uniquely formulated to provide up to 5 years of protection and performance.

*NEWLY ADDED COLOURS

*The colours shown on this card may vary slightly from their actual appearance on painted surfaces. Factors such as product sheen, room size, lighting, application or surface texture can subtly affect the final appearance of the colour. We recommend testing a sample on the actual surface before applying the paint.

- P R E M I U M -

GOLD

The logo consists of the word "GOLD" in a bold, blocky, yellow font. The letters are outlined in a dark blue color. The "G" and "L" have a slight 3D effect with a shadow. The "O" and "D" are simple squares. The logo is set against a dark blue background and is enclosed within a thick, yellow, curved line that forms a V-shape pointing downwards.
